12 Affiant agrees with the first paragraph with the addition of her name included.

13 The Debtors having filed the *Ninth Supplement to Plan Supplement in Connection with*  
14 *Debtors' and Shareholder Proponents' Joint Chapter 11 Plan of Reorganization* [Docket No.  
15 8057], which contains as Exhibit A the PG&E Fire Victim Trust Agreement (with all Exhibits  
16 thereto, including the Fire Victim Claims Resolution Procedures (the "CRP")), which amends  
17 and supersedes Exhibit D to the Plan Supplement filed May 1, 2020 [Docket No. 7037]; and  
18 upon the *Joint Statement of the TCC, Trustee, Debra Grassgreen and Karl Knight, Eric and*  
19 *Julie Carlson, and Mary Wallace Regarding Unresolved Objections to the Fire Victim Claims*  
20 *Resolution Procedures* [Docket No. 8074] (the "Joint Statement"); and the Court having  
21 considered the statements of the parties at the hearing held on the Joint Statement on June 24,

23 1) Reference: Paragraph 1.

24 2) Affiant agrees to the wording of this first paragraph and accepts this condition as long as  
25 the corresponding date of Plan, June 19, 2020, in the full and complete plan not subject to  
26 any other amendments that would affect this order.

3) Reference: Paragraph 2. Include the affiants' name, Mary Wallace.

1) Upon fully exhausting the dispute resolution process set forth in Section VIII of the CRP, any of Debra Grassgreen and Karl Knight (and their minor child), Eric and Julie Carlson and Mary Wallace, (each of the foregoing Claimants, an "**Individual Eligible Claimant**") may reject the Trustee Determination<sup>1</sup> awarded.

2) Affiant agrees to the wording of this second paragraph upon written clarification of the date and time this will take place, a detailed description of this exact process in its entirety without subject to changes in the future.

3) Reference: Paragraph 3.

1. Affiant agrees to the wording of this paragraph with the exception that the following be changed. Beginning with second sentence. "Upon submitting an Individual Election Notice to the Trustee and filing a copy with the Bankruptcy Court, an Individual Eligible Claimant may elect review of his or her Claim in the Bankruptcy Court, the District Court for the Northern District of California, a California State Court, or in the court where such claim was pending or could have been pending prior to the Petition Date (the "**Court of Review**"). For the avoidance of doubt, the Individual Eligible Claimants shall not be required to wait until the end of the Initial Review Period to seek a Final Judicial Determination.

4) Reference: Paragraph 4.

5) Affiant agrees to the wording of this paragraph.

6) Paragraph 5.

7) Affiant does not agree to the specific wording and requires clarification. It appears the Trust has not made a determination of all "other claims". Affiant request clarification so as not to construe this as "unconscionable contract" that is not clear and nothing to agree to. It also appears to automatically override any Judicial Determination.

8) Affiant states the paragraph to be changed as follows: Interest awarded on any Final

---

<sup>1</sup> Capitalized terms used but not otherwise defined in this Order shall have the meanings given to them in the CRP.

Judicial Determination with respect to any Eligible Claimant, including any Individual Eligible Claimant, shall be payable by the Trust to the same extent that interest awarded on account of any Claim within the CRP is paid. If the Trust does not pay interest on account of Claims within the CRP, the Individual Claimant can elect review of his or her claim in the Bankruptcy Court, the District Court for Northern District of California, in the court where such claim was pending, or could have been pending, or in any State Court in the State of California.

9) Reference: Paragraph 6.

10) Affiant states that the Judge cannot make a defacto determination.

11) Affiant states the paragraph to be changed as follows:

12) Any award of punitive or exemplary damages with respect to any Claim seeking payment by the Trust, whether such award is made by the Trustee or by any court, shall not be subordinate and junior in right to the prior payment in full of all non-punitive and non-exemplary damage. To the extent that the Trust elects not to include punitive or exemplary damages with respect to any claim, the Individual Claimant can elect review of his or her claim in the Bankruptcy Court, the District Court for Northern District of California, in the court where such claim was pending, or could have been pending, or in any State Court in the State of California.

13) Paragraph 7. Affiant agrees.

14) Paragraph 8. Affiant disagrees. This sentence contradicts paragraph 3 and should be changed as follows:

15) With respect to all matters arising from or related to the implementation of this Order the Bankruptcy Court, the District Court for Northern District of California, in the court where such claim was pending, or could have been pending, or in any State Court in the State of California may exercise jurisdiction.

**Subject:** Attn: Judge Montali PGE, needs to compensate it's victims fairly and first! from CAMP FIRE VICTIM

January 22, 2020

Judge Dennis Montali  
US Bankruptcy Court  
450 Golden Gate Avenue  
San Francisco, California 94102

Case # 19-3088-DM

I filed a claim into this bankruptcy case. I have not heard anything as to what is going on with my claim, nor have been kept up to date as to the hearings, availability to participate in the proceedings, nor know of any other men and women, who filed claims without attorneys, have had an opportunity to be heard.

The true victims of this tragic fire, November 8, 2018, are the flesh and blood who lost loved ones, their homes, their animals, their jobs, and their whole life. All because PGE focused on profit versus maintenance of their equipment.

86 people died that day. One, a good friend, was working hard to save the Magalia Community Church in Magalia. His efforts helped save the church, but, as an 85 year old man, he didn't have the strength to survive the smoke and burned alive on his front porch, less than a couple of blocks away from the church. Cal Fire was there and did nothing to help the others trying to save the church. They watched and did nothing.

I saw a post three days ago from a father who, along with his two young children, walked from their home and were fortunate to have been picked up by a neighbor. As they escaped the fire, driving through fires on each side of the road, they saw many people trying to escape on foot as well. Their clothes were catching on fire from the severe heat. They watch them burn alive.

At another post, a woman was forced to run over a burning person in the road. Can you imagine the horror of witnessing that?

There are approximately 1200 lots, unclaimed, in Paradise. Where are their owners? Many people I have met since the fire were first responders. They commented that they saw hundreds of burned cars, with people and their hands glued to the steering wheel. Dead. Burned alive.

What if that was your mother, or father, or daughter or friend. Would you think it was ok for PGE to not be charged criminally? Murder? If a man or woman, instead of a corporation, has done what PGE did would they have just been fined and told to be better next time?

And how many next times has PGE had? How many more people have to die instead of holding PGE accountable?

A year later, many are still struggling. And now, all I see is what is posted on Facebook and the News. Some of these reports are very disturbing. FEMA wants a piece? The attorneys get cash, before the real victims, the insurance companies? Feather River Hospital has a claim in excess of \$1 Billion. The actual victims with claims is supposedly 80k. And rumors are we get compensated for our real loss last.

I would like to see PGE's financials. If it is true, that all claims total over \$17 Billion, I'd like to see those claims. I dispute that the \$13.5 billion is enough to cover all the losses. And, if it is true that FEMA is coming after our claim, then I would like to see their loss. After all, didn't the victims already pay FEMA? How would FEMA exist if they weren't receiving money from the Federal Government. And who is that? The people or another corporation?

Also, my claim form was short, just stating that I had a claim. Am I supposed to submit a detailed list into the case of all losses? And, I don't know many people who have actually finished their detailed claims and handed those off to their attorneys.

Very confusing.

I would like the Bankruptcy Court to take notice that I do not authorize anyone to accept a claim on my behalf without having full disclosure of PGE's assets, and all that is being negotiated without my consent.

Nor do I think it fair that victims, who need resources to get back to where they were before the fire, should be forced to take ½ cash, and ½ in PGE Stock. And, then have someone else, manage a payment fund or a three year period. How about give that to FEMA? Give that to the Insurance Companies. Give that to the Attorneys.

We are coming to the Capital, Friday, January 24, 2020 to protest the settlement proceeding and our outrage at the weak attempt from PGE to take full and absolute responsibility for the damage, harm and injury they caused through neglect and greed. And please tell the rest of the quasi-victim corporations to keep their hands off our claim.

Sincerely,  
Mary Wallace

Re: CLAIM #68955  
Notice to Amend Claim

On October 18, 2018, I filled out a Proof of Claim (Fire Claim Related) by printing out two forms and had them delivered to the PG&E Office in Chico, California and to be filed with the UNITED STATES BANKRUPTCY COURT listed above.

Since that time I have called Prime Clerk, LLC and asked why I have not been receiving any information regarding my claim, nor proof it was received. My original claim specifically asked to have all documents mailed to me. They looked up my claim by my Name and said they would mail me if I contacted their mailing department. I sent an email to their mailing department and instead of receiving a copy of the my claim by mail, they emailed it to me.

I then started hearing that others were receiving information from the Prime Clerk, LLC, yet I was still not receiving.

I went back and reviewed the notice of my COPY, being received by PGE Office in Chico and compared it to the copy of the claim that Prime Clerk, LLC received. Somehow, on the copy sent to Prime Clerk, LLC, question #11 was not filled in. My COPY, shows it checked "How much is the claim?", with my answer, checked: Unknown / To be determined at a later date. The other copy emailed me, verifying that Prime Clerk, LLC, had nothing checked in #11.

Not sure how that happened, except under duress I did not fill that in.

Page 1 of 2

The amended claim is now being delivered to PG&E, Chico, location. If for some reason they can not accept the amended claim, I will send this information directly to the UNITED STATES BANKRUPTCY COURT, in San Francisco.

Please respond that I wish my claim to be amended to and unknown / To be determined at a later date. I have attached a copy of the claim stamped by PG&E Office in Chico, the copy I received from Prime Clerk, LLC and the amended Proof of Claim (Fire Claim Related).

I request verification that my claim has been updated.

# Instructions for Proof of Claim (Fire Claim Related)

United States Bankruptcy Court

You may have a claim against the Debtors for monetary loss, personal injury (including death), or other asserted damages arising out of or related to a fire. You should consider obtaining the advice of an attorney, especially if you are unfamiliar with the chapter 11 process and privacy regulations.

A person who files a fraudulent claim could be fined up to \$500,000, imprisoned for up to 5 years, or both.  
18 U.S.C. §§ 152, 157 and 3571.

## How to fill out this form

- **Fill in all of the information about the claim as of the date this claim form is filed.**
- **If the claim has been acquired from someone else, then state the identity of the last party who owned the claim or was the holder of the claim and who transferred it to you before the initial claim was filed.**
- **For a minor child, fill in only the child's initials and the full name of the child's parent or guardian.** For example, write *A.B., a minor child (John Doe, parent)*. See Bankruptcy Rule 9037.
- **You may but are not required to attach supporting documents to this form.**  
Supporting documents will be gathered, maintained, and provided at a later date as instructed by the Court. If you do attach documents, you should attach redacted documents as supporting documentation will be made publicly available and will not be kept confidential. See the definition of *redaction* of information below.
- **Do not attach original documents because attachments may be destroyed after scanning.**
- **Question 3.** Members of a family may but are not required to file a proof of claim as a family but may, if they choose, submit individual claim forms for each family member that has a claim against the debtors.

- **Question 9.** If you suffered property damage, then provide the street address of each real property parcel where you suffered property damage. If you were personally evacuated as the result of a fire, then provide the address or intersection closest to where you encountered the fire and began evacuation. If you suffered property damage and were evacuated from a different location, include both. If you were a renter, provide the address of your residence.
- **Question 10.** This question requests general statements of underlying facts relating to harm and is not intended to be exhaustive or preclusive.
- **Question 11.** You are not required to include a claim amount with your proof of claim. Providing a claim amount at this time is optional.

## Confirmation that the claim has been filed

To receive confirmation that the claim has been filed, enclose a stamped self-addressed envelope and a copy of this form together with the original. You may view a list of filed claims in this case by visiting the Claims and Noticing Agent's website at <https://restructuring.primeclerk.com/pgc>.

## Understand the terms used in this form

**Claim:** A creditor's right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy. 11 U.S.C. §101 (5). A claim may be secured or unsecured.

**Creditor:** A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. § 101 (10).

**Debtor:** A person, corporation, or other entity who is in bankruptcy. In this instance, PG&E Corporation and Pacific Gas & Electric Company.

**Information that is entitled to privacy:** A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

**Proof of claim:** A form that shows the creditor has a claim against the debtors on or before the date of the bankruptcy filing (in these cases, January 29, 2019). The form must be filed in the district where the case is pending.

**Redaction of information:** Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to **privacy** on the *Proof of Claim* form and any attached documents.

## Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.

**Subject:** Requesting Voter Ballot and All Documents Pertaining to The Plan, i.e. PGE Bankruptcy

Dear Anky, (Judicial Assistant to Hon. Dennis Montali

I have not received any documentations regarding the PGE Bankruptcy cases, Case Number: 19-30088-DM

Jointly Administered Case: 19-30089-DM., re: Original Claim #68955, and amended claim #103408.

I sent this email yesterday and it bounced back say canb.uscourts.gov, is not correct. I hope this goes through.

I also notified the Prime Clerks Office that I have not received any information about this case. Yesterday they responded and said they would mail. I am not confident that I will receive it in time.

I filed on my own behalf, without an attorney.

Please file this request into my claim/case and make public. I am under extreme duress as I have repeatedly contacted Prime Clerk that I am not receiving any information, nor in a timely manner. Most other creditors received this information April 30th and had 45 days to review and make an informed decision. I am not confident there is enough information nor time to make an informed decision.

Also, I have no information on the Trustee Plan as to how this is going to be administered. Please forward the Trustee Plan to me as well.

Would you please make this request public in this case and show that it has been filed. If you need this request in another format, please advice.

Thank you,

Mary Kim Wallace

To Whom It May Concern,

My name is Mary Kim Wallace. Today is May 6, and I still have not received The Plan, a voter ballot, or information on the Trustees and the agreement they are proposing. I am a Camp Fire claimant and creditor in the PG&E Bankruptcy Court, Case #19-30088-DM, and 19-30089-DM.

I have contacted the Clerk's Office of the Court and asked for assistance in getting my motion filed. I am getting no response from the court. and have been unable to get someone to return my call.

Due to the nature of this Emergency Motion I am emailing to the courts, congress and key personnel involved in resolving the issues in this case and coming to a settlement agreement. I need someone to respond that can help me or show me how to get it filed now!

I, and I have knowledge of many other claimants, have not received any information regarding this claim nor voting ballot. All claimants were to receive April 1, 2020, and have 45 days to review and make an intelligent and informed decision. I am not sure why this is not been done and why some of us will not have adequate time to review and decide.

I appreciate your assistance in getting this filed into Judge Donali's court. I am not an attorney or schooled in law. If my motion is denied the opportunity to be heard, and/or denied, I respectfully request an answer as to why based upon facts and conclusion of law.

Emergency Motion to Stay Voting Deadline

18 I am a fire victim claimant and creditor in this Chapter 11 case. I would like an emergency  
19 order from this court to stay the "deadline" to vote until such time I am properly informed of the  
20 "Final Plan", the "Trustee Plan", and the plan and procedures of the Fire Victims Trust. Without  
21 adequate information, a reasonable claimant could not make an intelligent and informed decision on  
22 the vote.

23 I filed my own claim, without an attorney as Proof of Claim #68955 on October 18, 2019,  
24 and have received no information from anyone on my claim. My claim should be the value of #11:  
25 unknown, to be determined at a later date. According to Prime Clerk, my claim status has not been  
26 evaluated, nor assigned a voter ID number. Which of course means I have never received the Plan,  
27 or voting materials. I have knowledge that there are many, many, fire victims who have also not  
28 received a ballot or voting materials.

In addition, I amended my claim and sent to both Prime Clerk, LLC as Proof of Claim  
103408 and your court. I received confirmation that the amended claim was processed from your

1 court on or about April 20, 2020. I have asked for all correspondence to be delivered in hard copy  
2 form. I have limited resources to protect my claim including no or limited internet access. I made  
3 that clear from the beginning when my original claim was filed in October, 2019 that all  
4 communication was to be in writing by mail.

5 I also followed up with numerous phone calls to Prime Clerk, beginning in January, 2020. In  
6 February, 2020, I received a response to my email from Prime Clerk, saying my claim was still  
7 under review and had not been processed yet.

8 Prime Clerk emailed me on May 5, 2020, to say they were mailing me "The Plan" and a  
9 Voting Ballot. In addition, I need all information pertaining to the "Trustee" who would be  
10 controlling our claims. Nothing has been sent to me as to how that is being administered, how my  
11 claim is to be evaluated, by whom, including whether I receive total value of my claim, a  
12 percentage of our claim, etc. Yet there is supposed to be a Fire Victims Trustee to make that  
13 decision later? After the vote? How could I agree to something that I do not have information on? I  
14 also have knowledge that the current deal we are to be voting on is not even finalized. How could I  
15 vote for something that is not the final agreement?

16 I request this Emergency Motion for Stay, in Good Faith, and ask the court to allow me the  
17 full 45 days, (that others received), in order to review all information needed to make an informed  
18 decision regarding voting yes or no on this plan. Due to limited financial resources, limited internet,  
19 the Coronavirus Shelter at Home, and travel restrictions, I am requesting this hearing to appear  
20 telephonically. If you cannot do this, and deny my Motion, please provide me with findings of fact  
21 and conclusion of law as to why.

22 I declare under penalty of perjury pursuant to the Laws of the State of California that, to the  
23 best of my knowledge and after reasonable inquiry, the foregoing is true and correct and that this  
24 declaration was executed at Magalia, California on May 9, 2020.

To Whom It May Concern:

I still have not received my ballots, The Plan, nor Voter ID number. I have contacted Prime Clerk numerous time and still have received nothing. As you can see from Ackheem Gray's comments below, he said it was mailed on Monday the 4th.

Nothing here yet. Please contact me ASAP with an E Ballot ID number. Since I have not the information, in a hard copy, as requested numerous time, I will need to vote no before the 15th.

I will copy in Judge Montali and his Clerk, Lorena Parada. Hopefully they will see how frustrating this is. While the information is on your website, I would have to read it on my phone. I have limited or no interest connection and that is why I wanted it in hard copy. A written copy of all documents are important for me to make an intelligent and informed decision.

This is so stressful! Please respond ASAP. I have also filed a Motion into Judge Montali's Court, "Emergency Motion to Stay the Voting Deadline", Docket # 7141, Filed and Received 5/11/2020. This motion addresses the fact that I have not received information to make an intelligent and information decision on the vote. I have knowledge that are many others who have not received their ballots and voting information.

I have not received information as to when my Motion will be heard. This is an Emergency!

Thank you.

Objection, Reservation of Rights, Objection to  
The Plan, Fire Victims Trust and Irregularities of  
Voting Procedure

I am a Camp Fire 2018 victim claimant and creditor in this Chapter 11 case. I am making these objections prior to the deadline to object to PG&E's plan at 4pm on May 15 2020. I object to the Plan, the Fire Victims Trust, and Irregularities in Voting Procedure.

I repeatedly asked for The Plan, and all documents relating to this case, be sent to me in writing. I emailed, called and wrote numerous times to Prime Clerk and to the Bankruptcy Court. On or about May 5, 2020, Prime Clerk emailed me to tell me my copy of the Plan, The Fire Victims Trust, Voting Procedures, etc. were mailed. On May 11, 2020, I again emailed Prime Clerk and copied in the court, a couple of Senators, the Public Relations Office of Governor Newsome, Judge Montali, and again asked for hard copies of all documents relating to this Plan so I can review, read, study, and make an intelligent informed decision on my vote. Later that afternoon the Prime Clerk emailed me 9 documents in pdf form. There is no time for me to adequately vote on this plan. See Docket #7186 Motion to Stay Voting Deadline by Mary Kim Wallace.

Page - 1 - of 2 Mary Kim Wallace, Objects to The Plan, Fire Victims Trust, and Reservation of Rights to Protect my claim.

1 The irregularities regarding my vote is not receiving information that others received starting  
2 April 1, 2020. And not receiving adequate time to make an informed decision. Please see docket #  
3 7194 "Garrison Objection to Proposed Reorganization Plan", and docket # 7186 "Second Notice of  
4 Voting Procedure Irregularities".

5 Arguments are ongoing and as of May 15, 2020, the hearing heard by Judge Montali, are  
6 arguments regarding the Fire Victims Trust Claims, and a claimant's ability to receive a remedy if  
7 part or all of the claim is denied. Attorney are still arguing over the Fire Victim Trust plan as I type  
8 this at 5/15/2020, 12:32 pm, as I signed up for the zoom meeting. It appears they don't even agree to  
9 the Fire Victims Trust Plan, although I am supposed to vote on something that has not been approved  
10 by the attorneys?

11 I object to the Fire Victims Trust being able to deny our claims, and if denied our recourse is  
12 to appeal administratively. If denied administratively, there is no other recourse. And furthermore, if  
13 I received a partial payment, once payment received I have agreed to hold the Trust harmless if they  
14 decide not to fund the rest of the claim.

15 I object to The Plan, that from the limited information I have, I have to agree to Hold PG&E  
16 harmless if The Plan is voted yes. I object that the yes vote will deny my no vote any optional recourse  
17 to my claim, i.e. having my day in court!

18 I object to lack of full disclosure as to this, The Plan and Fire Victims Trust, in that it has not  
19 been revealed exactly how our claims will be paid, and that the Fire Victims Trust has the ability to  
20 change this plan of disbursement and valid claims at any time they wish. How could a reasonable  
21 person agree to a plan that could change without their input? I object. I am writing this under threat,  
22 duress and coercion.

23 I declare under penalty of perjury that this Objection to Plan and Fire Victims Trust based  
24 upon Irregularities of Voting Procedure is true and correct to the best of my ability.
